Name: _____

TAKE-HOME ACTIVITY:

SAFETY SMART® IN THE WATER

Dear Family: Your child is learning that what we say can be written down. Read the directions on this page to your child and then do the activity together.

Directions

1. Draw a picture to show something you learned about being safe in the water.
2. Describe what you learned and write it down together.
3. Read your words together.

What I Learned: _____
