Dial 911

for emergencies!

- Draw a floor plan or a map of your home. Show all doors and windows.
- Mark two ways out of each room.
- Mark all smoke alarms and sprinkler system heads. Smoke alarms should be on every level of your home. Make sure there is a smoke alarm outside each sleeping area.
- Pick a family meeting place outside where everyone can meet.
- Keep this plan handy where you can see it. Practice it twice a year.
